

ICHC 2012: Sponsorship Prospectus

ICHC 2012

The 14th International Congress of Histochemistry and Cytochemistry (ICHC 2012) will be held from August 26-29, 2012, in the beautiful and historic city of Kyoto, Japan. Under the theme of '***Beyond the Limit of Histochemistry***', we will have ten plenary lectures, nineteen symposia, eight workshops, three journal-sponsored lectures, and poster sessions on state-of-the-art topics in histochemistry and cell biological sciences.

The ICHC Congress will be both international and interdisciplinary in scope, with approximately 500 participants from all over the world. It will provide an opportunity for your company to make contact with innovators and opinion leaders from academic basic science and clinical practice.

The opportunities are described in detail below.

ICHC 2012 Congress Sponsorships Opportunities

All exhibitors will receive acknowledgement in the program.
